

The Michael A. Olsen Family and the Robert H. Cannon Family, along with Addressing Homes LLC, have the following 100 students enrolled in the 10 School Districts named below. It is our goal to follow through with these 100 students until they reach High School Graduation.

An example of one of the students affiliated with Lifting Liberia is Junior Dolo. Junior is 19 years old and attends the 2<sup>nd</sup> grade at Gbartá Public School. Junior's parents are deceased and he cares for his 3 younger siblings and grandmother. What a pleasure it is for us to provide an educational opportunity for Junior Dolo.
